总要披戴基督

——我的身体主作主

“总要披戴主耶稣基督，
不要为肉体安排，
去放纵私欲。”
（罗13:14）

“明天、后天、每一天！我如何从里面可怕的情欲里得释放，不再去作于我有害的事情呢？”

“行事为人要端正，好像行在白昼；不可荒宴醉酒，不可好色邪荡，不可争竞嫉妒；总要披戴主耶稣基督。”

保罗在书信里常用生活的例子作隐喻来阐明真理

披戴基督是扮演基督的样式，
让人在我们身上看到基督。

“我已经与基督同钉十字架，
〔因此〕现在活着的不再是我，
乃是基督在我里面活着。”

对我来讲，**基督是活着的**。

我现在活着，

是因信神的儿子而活着。

“岂不知你们的身子是基督的肢体吗？我可以将基督的肢体作为娼妓的肢体吗？断乎不可！”林前6：15节

There are two basic sources on abortion data in the U.S.: The U.S. Centers for Disease Control (CDC) publishes yearly, but relies on voluntary reports from state health departments (and New York City, Washington, D.C.). It has been missing data from California, New Hampshire, and at least one other state since 1998.

- The Guttmacher Institute (GI) contacts abortion clinics directly for data but does not survey every year.
- Because it surveys clinics directly and includes data from all fifty states, most researchers believe Guttmacher's numbers to be more reliable, though Guttmacher still believes it may miss some abortions.

Both the CDC and Guttmacher show significant recent drops and sustained declines over the last 25 years.

- Total abortions dropped 28.8% from 1998 to 2019 with the CDC, and fell 46.4% from 1990 to 2017 with GI.
- Total abortions fell below 1 million for the first time in the 2013 GI count and have continued downward to 862,320 in the most recent GI figures for 2017.
- The **abortion rate** for 2017 for GI was 13.5 abortions for every 1,000 women of reproductive age (15-44), less than half that of 1981 (29.3) and lower than when abortion was legalized in the U.S. in 1973 (16.3).
- GI says there were 18.3 abortions for every 100 pregnancies ending in live birth or abortion in 2016, 18.4 for 2017, lower **abortion ratios** than any since 1972.
- Guttmacher says that abortion "providers" have dropped from a high of 2,918 in 1982 to 1,587 in 2017.
- According to the CDC, the percentage performed with chemical abortifacients like mifepristone rose from 9.6% in 2004 to 43.7% in 2019.

Total abortions since 1973

Based on numbers reported by the Guttmacher Institute 1973-2017, with 3% added for GI estimated possible 3-5% undercount for 1973-2014. Another 12,000 per year added for 2015-2021 for abortions from "providers" GI says it may have missed in 2015-2017 counts. 1/22

CAPTAIN MITSUO FUCHIDA, led the bombing raid on Pearl Harbor which opened the Pacific war. First man over the target and last to leave it, after personally sinking the battleship Maryland, he is sole surviving officer of the 7 commanders and 32 squadron leaders whom he led in the Pearl Harbor raid. He now has good reason to feel that God spared his life that he might be saved and become a Christian testimony.

Captain Fuchida had many close brushes with death, including six crashes at sea. Shortly before the battle of Midway he underwent an appendectomy on board ship. Though he did not fly, he was in the thick of that battle. A bomb-hit on his ship broke both his legs and hurled him into the sea, from which he was rescued and sent back to Japan. Had he not been out of action he would have commanded the Japanese air force at Guadalcanal and might well have met the fate of many of his fellow officers who died there.

God had other plans for Captain Fuchida, as this testimony from his own lips reveals.

Captain Fuchida is just one of the multitudes of Japanese who have professed conversion as the result of the work of the PTL teams in Japan.
